

Catoctin Area Turners Membership Application and Renewal Information

Please complete this form and email it to Dennis McCormick - djm@smartneighborhood.net or send it to Dennis at the following address:

43665 Jernigan Terrace

Landsdowne, VA 20176

We are asking each member to opt-in, or opt-out of having your name and email address shared with Craft Supply, and possibly other woodturning suppliers. Craft Supply, in particular, will send CAT a \$10. Gift certificate for every 10 members, once each quarter, and these can be used in the club raffles or for other “recognition” as decided by the CAT Board Members. Members will receive email notices from Craft Supply, but you can easily “opt out” with the link to “unsubscribe” at the bottom of each email.

We will notify members in advance if we identify other vendors who might provide specific club discounts or other member benefits in exchange for email contact info, and we will not share member information with any organization which does not agree to keep the information confidential within their own business activities (i.e. they will not sell, rent, or otherwise make any member information available to outside parties for any purpose other than the agreed promotion/discount activities of the vendor). Please mark one of the following two choices:

Yes, I agree to have my email address shared:	<input type="checkbox"/>
No, please do not share my email address:	<input type="checkbox"/>
